AIM TO WIN

HOT LEAD POKER 2019

Rule Sheet

- Game 1. “Club Bragging Rights One Target with Entry Fee; Additional \$10.00 each or 2 for \$15.00
Game 2. “Individual Trophy” Targets are \$10.00 each or 2 for \$15.00
Game 3. “The 50/50” Targets are \$10.00 each or 2 for \$15.00

The rules apply for all games.

The Range Safety Officers and Shoot Point Blank Range have the final decision on safety issues. Only Range approved firearms and ammunition allowed. Please visit shootpointblank.com for details. Each shooter receives one target and has twelve (12) shots to get five bullseyes per target.

The targets have 32 individual bullseyes. They are two layers, behind each bullseye is a randomly placed playing card. Each target is unique and has a serial number which will be recorded. Hits will be peeled back to reveal the playing card.

Only hits on the orange will be counted. Our appointed judges will have the final decision.

Targets will be placed at fifteen (15) feet for handguns, or twenty-five (25) for rifles.

Mechanical supports or rests, and scopes are allowed.

A member of a Marion County GOP Club (must be a member in good standing) wins the Traveling Trophy and bragging rights for their Club for a year.

Best five card poker hand wins.

In case of a tie the shooters will be provided with a new target each with one shot at a bullseye with the highest card winning.

Every entry fee comes with a raffle ticket for door prizes. Must be present to win.

Rentals and regular targets are also available to purchase from the range.

Safety is most important, but we are here to have fun and raise money for our local candidates.

Thank you for your support, The Warren Township GOP Club.
